B) GENERAL INFORMATION

The rationale for the Changes forms part of the Company's continuous review of its existing product range. The aim of the change is also to enhance the product by adding quality screening feature and further diversification while still offering exposure to European dividend paying stocks.

The revised version of the Prospectus and key investor information document of the Sub-Fund reflecting the Changes will be available on the Company's website (www.Xtrackers.com) and a copy thereof may be obtained on request free of charge at the registered office of the Company or at the offices of foreign representatives, once available.

Shareholders who subscribe for or redeem Shares in the Sub-Fund on the primary market and who do not agree with the above changes are entitled to redeem their Shares in the Sub-Fund in accordance with the Prospectus. Please note that the Company does not charge any redemption fee for the sale of Shares in the secondary market. Orders to sell Shares through a stock exchange can be placed via an authorised intermediary or stockbroker. Shareholders should note that orders in the secondary market may incur costs over which the Company has no control and to which the above exemption on redemption charges does not apply.

Shareholders who have any queries or to whom any of the above is not clear should seek advice from their stockbroker, bank manager, legal advisor, accountant or other independent financial advisor. Shareholders should also consult their own professional advisors as to the specific tax implications under the laws of the countries of their nationality, residence, domicile or incorporation.
