Luxembourg, 3 November 2015

Dear Shareholder,

The board of directors of the Company hereby informs the shareholders of the Sub-Funds that it has resolved to amend the definitions of Transaction Day in respect of the above named Sub-Funds, in the manner outlined below. Please note that these amendments are being made as a consequence of the expected introduction of the possibility for the Company to enter into OTC Swap Transactions with swap counterparties other than Deutsche Bank AG, London Branch.

The current definition of Transaction Day for all of the Sub-Funds is as follows:

"Means a Business Day.

A Transaction Day is a day on which subscriptions for, conversions from and redemptions of Shares can be made in order to be dealt with by the Registrar and Transfer Agent, as described under "Subscriptions and Redemptions of Shares (Primary Market)".

Unless otherwise defined in the Product Annex, the applicable deadline to consider applications received on the same day is 5.00 p.m. Luxembourg time.

Any applications received by the Registrar and Transfer Agent after such deadline on a Transaction Day will be deferred to the next Transaction Day and processed on the basis of the Net Asset Value per Share calculated for such Transaction Day."

The revised definitions of Transaction Day for each of the Sub-Funds, which will become effective on 3 December 2015, is as follows:
