As of 03 November 2016 (the "**Effective Date**"), the investment objective of the Fund will be to track the performance before fees and expenses of MSCI World Sector Neutral Quality (USD) Index (the "**Reference Index**"), calculated by MSCI Inc and the name of the Fund will be changed to db x-trackers MSCI World Quality Factor UCITS ETF (DR) as a consequence of this change of investment objective (the "**Changes**").

The Board of Directors of the Company are of the opinion that the change in the investment objective of the Fund described above is in the best interests of the Shareholders in the Fund.

The Changes will be reflected in a revised supplement of the Fund (the "**Supplement**") to be issued on or around 03 November 2016. Copies of the revised Supplement reflecting the above change will be available on the website of the Company (<http://www.etf.db.com>), and a copy may be obtained on request free of charge at the registered office of the Company or at the offices of the foreign representatives, once available.

Any costs or expenses associated with the implementation of the Changes, will not be borne by the Fund or the Shareholders.
