Luxembourg, 12 March 2014

The board of directors of the Company hereby informs the shareholders of the Share Classes (the “**Shareholders**”) that it has decided to correct a clerical error in the product annex of the Sub-Fund. The Management Company Fee for both Share Classes disclosed in the product annex of the Sub-Fund reads “Up to 0.20% p.a.” whereas it should read “Up to 0.25% p.a.”.

The Shareholders’ attention is drawn to the fact that the All-In Fee of the two Share Classes (being “Up to 0.35% p.a.”), which represents the sum of the Management Company Fee and the Fixed Fee is correctly disclosed in the product annex of the Sub-Fund. Furthermore the on-going charges disclosed in the key investor information document in respect of each of the Share Classes are also correct.

The board of directors of the Company wishes to rectify this clerical error at the earliest opportunity. This is also to ensure consistency with the key investor information document in respect of the Sub-Fund. The change will have no impact on investors, as the maximum applicable All-In Fee remains unchanged.

Copies of the revised prospectus of the Company reflecting the above change together with the key investor information document are available on <http://www.etf.db.com>, and a copy thereof may be obtained on request and free of charge at the registered office of the Company or at the foreign representatives’ offices (as applicable).

Capitalised terms not defined herein shall have the meaning given to them in the latest version of the prospectus of the Company.

If you have any queries or if any of the above is not clear, you should seek advice from your stockbroker, bank manager, legal adviser, accountant or other independent financial advisor.

Further information in relation to the above change may also be obtained from the legal entities mentioned under ‘Contact information’ below, the offices of foreign representatives or by sending an email to [info.dbx-trackers@db.com](mailto:info.dbx-trackers@db.com).
