IMPORTANT NOTICE TO SHAREHOLDERS OF db x-trackers II EMERGING MARKETS LIQUID EUROBOND UCITS ETF (the "Sub-Fund**")**

Luxembourg, 5 December 2013

Dear Shareholders,

We hereby inform you that as from 5 December 2013, the annual rebalancing date in respect of the Deutsche Bank Emerging Markets Liquid Eurobond Index[®] (the "**Reference Index**") will be amended from on or around 31 December to on or around 31 January in each calendar year. The board of directors of the Company has been informed by the Index Sponsor that the rationale for the change is to enhance the process for determining the price of the constituents of the Reference Index on a rebalancing date, as the liquidity of these constituents is expected to be higher on or around 31 January compared to the current annual rebalancing date of on or around 31 December.

For the avoidance of doubt, the recomposition of the Reference Index which would have occurred on 31 December 2013 will now occur on 31 January 2014.

If you have any queries or if any of the above is not clear you should seek advice from your stockbroker, bank manager, legal adviser, accountant or other independent financial advisor.

Further information in relation to the above change may also be obtained from the legal entities mentioned under 'Contact information' below, the offices of foreign representatives or by sending an email to info.dbx-trackers@db.com.
