IMPORTANT NOTICE TO SHAREHOLDERS OF THE FOLLOWING SUB-FUND

db x-trackers MSCI AC Far East ex Japan Index UCITS ETF (DR) (the "Sub-Fund")

1 August 2014

Dear Shareholder

The purpose of this letter is to inform you about recent developments in respect of the Sub-Fund in which you hold Shares.

Capitalised terms used in this notice shall have the same meaning ascribed to them in the latest version of the prospectus, dated 28 May 2014, of the Company unless the context otherwise requires.

The Directors of the Company wish to notify you in advance that it is proposed to change the definition of "Dealing Day" in the Supplement of the Sub-Fund. The current definition of Dealing Day reads as follows:

"Means every Business Day or such other days as the Directors may from time to time determine provided that there is at least one Dealing Day per fortnight and all Shareholders will be notified in advance"

The definition will be amended to read as follows:

Means every Business Day **excluding days on which Significant Markets are closed and/or** such other days as the Directors may from time to time determine provided that there is at least one Dealing Day per fortnight and all Shareholders will be notified in advance. **A "Significant Market" is any market and/or exchange or combination of markets and/or exchanges where the value of the Fund's investments in those markets and/or exchanges exceeds 30% of the Net Asset Value of the Fund, calculated on a quarterly basis and recorded in the Company's financial statements unless the Investment Manager determines that a different percentage and/or date should apply which it believes to be more appropriate provided Shareholders are notified in advance.**

The amendment of the definition of Dealing Day will take effect on or about 15 August 2014 (the "**Effective Date**") and will be reflected in an updated supplement to be issued on or around the Effective Date. Copies of the updated Supplement in relation to the Sub-Fund reflecting the above changes will be available on the website of the Company (<http://www.etf.db.com>), and a copy thereof may be obtained on request free of charge at the registered office of the Company or at the offices of foreign representatives, once available.

If you have any queries or if any of the above is not clear you should seek advice from your stockbroker, bank manager, legal adviser, accountant or other independent financial advisor.

Yours faithfully

Director
