This notice is to inform you on behalf of the board of directors of the Company (the "**Board of Directors**") about recent developments in respect of the Sub-Fund in which you hold Shares.

The Investment Objective of the Sub-Fund is to provide the Shareholders with a return linked to the performance of an index (the "**Index**"). Deutsche Bank AG, acting through its London branch (the "**Index Sponsor**") has decided to replace internal data sources which feed into index returns, (i.e. data provided by another Deutsche Bank AG group entity), with external data sources, (i.e. data provided by an entity which is not part of the Deutsche Bank AG group), in respect of the Index, (the "**Changes**"). According to the Index Sponsor, the Changes are (i) being implemented with the aim of avoiding potential conflicts of interest that could arise as a result of the relationship between the Index Sponsor and the internal providers of data sources and (ii) constitute technical adjustments that are being made for the good maintenance of the Index. The Index Sponsor has confirmed that the Changes will not affect the nature of the Index and are not expected to have any material impact on the performance of the Index.

The Changes will not result in any changes to the prospectus of the Company (the "**Prospectus**"). For more detailed information on the Index tracked by the Sub-Fund, investors are referred to the Prospectus, which is available upon request at the registered office of the Company. For further information on the Changes investors are referred to the notice of the Index Sponsor which is available at <http://index.db.com>.

The Changes will be effective as of 1 November 2014 (the "**Effective Date**").
