Voting and Voting Arrangements for the AGM

Given that the Sub-Funds use the International Central Securities Depository (the "ICSD") settlement model and Citivic Nominees Limited is the sole registered holder of shares in the Sub-Funds under the ICSD settlement model, Hong Kong Shareholders who wish to give an irrevocable proxy to the Chairman of the AGM to represent them at the AGM and at any meeting to be held thereafter for the same purpose with the same agenda and in their name and on their behalf to act and vote on the matters set out in the agenda should submit their instructions to their ICSD (in cases where the Shareholders are Participants) or their nominee, broker or other intermediary (in cases where the Shareholders are not Participants) through which they hold their shares in the Company by the deadline set by the relevant ICSD, nominee, broker or other intermediary (as the case may be, depending on whether the Shareholders are Participants) for onward transmission to State Street Bank International GmbH, Luxembourg Branch.

It should be noted that, as per the Hong Kong Prospectus, it may not be possible for a Shareholder who holds shares in the Company through an ICSD (in cases where the Shareholder is a Participant) or through a nominee, broker or other intermediary investing in the Company in its own name and on behalf of the Shareholder (in cases where the Shareholder is not a Participant), to exercise certain rights directly in relation to the Company.

Specific Rules of Voting at the AGM

The presence or representation of a minimum number of Shareholders is not required (i.e. no quorum is required). The resolutions will be passed by simple majority of the Shareholders present or represented at the AGM. Each Share is entitled to one vote.
