22 November 2024

Dear Shareholder,

The board of directors of the Company (the "**Board of Directors**") hereby informs the shareholders of the Fund (the "**Shareholders**") that STOXX Limited ("**STOXX**"), in its capacity as index administrator of the reference index of the Fund (the "**Index Administrator**"), announced on 30 September 2024 that it is introducing certain changes as detailed below (the "**Changes**").

Capitalised terms used in this notice shall have the same meaning ascribed to them in the latest version of the prospectus of the Company (the "**Prospectus**") or the supplement of the relevant Fund (the "**Supplement**") unless the context otherwise requires.

The Fund tracks the performance of the MDAX ESG Screened Index (the "**Reference Index**").

A. Overview of the Changes

The following additional exclusion criteria will be added to the existing Environmental, Social and Governance exclusion criteria (together, the "**ESG Exclusion Criteria**"):

- companies that breach certain revenue thresholds in coal expansion, oil fuels, gaseous fuels, and power generation.

It is proposed to update the Supplement to include the ESG Exclusion Criteria in order to comply with the requirements laid out in Article 12(1)(a) to (g) of the Commission Delegated Regulation (EU) 2020/1818 ("**PAB Exclusions**").

The Changes will be applied at the scheduled STOXX ordinary index review on 23 December 2024 (the "**Effective Date**").

For the avoidance of doubt, the Fund's investment objective, investment policy, risk profile and fees remain unchanged.
